Re: Vulnerable Sector Police Record Check

This is to inform you that this Laurier student is registered for a Community Service-Learning placement course for Winter 2026 (January-April). As a part of their course, they are required to complete an unpaid placement within a community organization or school. The placements involve direct work with children, youth, people with disabilities, and/or older adults. Placement sites therefore require students to have a Vulnerable Sector Police Check. Placements begin in January 2026 and will end April 2026.

If you require more information, please do not hesitate to contact me at the contact information listed below.
