To Whom It May Concern,

Re: Vulnerable Sector Police Record Check

This is to inform you that this Laurier student is registered in the Bachelor of Social Work program at Wilfrid Laurier University (Brantford Campus) and is required to complete an unpaid placement in a social agency or organization that serves vulnerable populations. These social agencies and organizations serve populations of all ages, including seniors, children and those with various challenges. Therefore, this student is required to have a vulnerable sector police record check completed prior to beginning the placement. Placements will be held between January-April, April- August or September-December.

If you require more information please do not hesitate to contact the Field Office at Wilfrid Laurier University. The contact information is listed below.
