SCHOOL OF BUSINESS & ECONOMICS

## Land Acknowledgement

Wilfrid Laurier University strives to improve its relationship with the land and people with whom we share it. As such, it is important to further our understanding of the long-standing history that has brought Laurier to reside on the land, and to seek to understand our place within that history.

Both Kitchener-Waterloo and Brantford have large urban Indigenous populations—10,000 and 8,000, respectively—and our campuses are close to 18 First Nations communities and 12 Métis councils.

Acknowledging them reminds us of our important connection to this land where we live, learn and work. We recognize, honour and respect these Nations as the traditional stewards, since time immemorial, of the lands and water on which Laurier is now present.

Laurier's Waterloo and Brantford campuses are located on the shared traditional territory of the Neutral, Anishnaabe (Anish-nah-bay) and Haudenosaunee (Hoe-den-no-show-nee) peoples. This land is part of the Dish with One Spoon Treaty between the Haudenosaunee and Anishnaabe peoples and symbolizes the agreement to share, protect our resources and not to engage in conflict.

We are grateful to hold this convocation ceremony on these lands today.

---

## Unique Ceremonial Stole for Indigenous Graduates

Indigenous graduates will receive a unique stole with symbolic meaning. One side of the stole depicts the Dish with One Spoon Treaty Wampum Belt between the Haudenosaunee and Anishnaabe. This land is part of the Dish with One Spoon Treaty between the Haudenosaunee and Anishnaabe peoples and symbolizes the agreement to share, protect our resources and not to engage in conflict.

On the other side of the stole, is the Office of Indigenous Initiatives logo. Based on the Haudenosaunee creation story, our logo reminds us of how the first seeds of life on Earth were planted on the back of a turtle. The inner segments of the dome represent the Anishnaabe (Ojibway) Seven Grandfather Teachings: love, respect, wisdom, bravery, truth, honesty and humility. The golden rays of the sun symbolize enlightenment, learning and new beginnings. The Métis beaded purple flower represents the gifts of plant life from the Skyworld, which encourage and sustain life. The entire design rests on the waters of life.

## The Convocation Ceremony.

Convocation is the most solemn ceremony within the university community. Since their beginnings in the Middle Ages, universities have performed this ceremony in order to grant degrees to their students and also to welcome those students into the community of scholars which has trained them.

The conferring of the degree is symbolized either by an acknowledgement or handshake from the chancellor or the president or other conferring officers of the university.

As an outward sign of his or her new state, the student wears a hood. Each degree within a university has a hood of unique colours and trim in order that the student's status may be recognized—indeed every university guards its own set of hoods from use by any other university.

## The Wilfrid Laurier University Mace.

The mace of Wilfrid Laurier University was officially presented by the Euler family at the 1963 fall convocation in memory of The Honourable W.D. Euler, former senator of Canada and the first chancellor of the university. It weighs 16 pounds and was manufactured by the firm of Henry Birks Limited, Montreal.

The ferrule near the base of the shaft contains ivory from a walrus tusk obtained from Coral Harbour, Northwest Territories. The shaft, representing the 10 provinces, merges into the head of the mace which bears the provincial crests. The wood used at the point where the shaft meets the head of the mace is elm taken from the bannister post of Conrad Hall, the original seminary building. Above this are four crests relating to the history of the institution: a crest of Waterloo County, the Luther Coat of Arms, the crest of the Waterloo Lutheran Seminary and the coat of arms of the University of Western Ontario.

The head of the mace is made of maple and bears the Federal Coat of Arms, above which is the monogram of Queen Elizabeth II, during whose reign the university's charter was granted. On the reverse side is the crest of Wilfrid Laurier University and the monogram of King George V, during whose reign the original charter was granted. The top of the mace is a crown, mounted with jewels, symbolizing the authority of the State.

## The Marshal's Baton

Dr. Fred Binding, a faculty member in the Department of Psychology for 32 years retired in July 2003. He had served as the university marshal for 10 years. Sadly, Dr. Binding died in August 2003. In memory of his contribution to convocation ceremonies, artist Rex Lingwood was commissioned to create a marshal's baton.

In the baton, there's a range of visual references that relate to the graduation ceremony, both directly and symbolically. The baton's design echoes the elaborate theatricality of the ceremony and the flair brought to the occasion by Dr. Binding.

The commission of the baton was made possible with the generous support of the Department of Psychology and Wilfrid Laurier University Retirees' Association.

## Honorary Degrees and Other Awards

**Honorary degrees** are conferred by Wilfrid Laurier University in recognition of outstanding scholarly, creative, or professional achievement or distinguished public and community service. The university may grant the following honorary degrees: Doctor of Laws (LLD), Doctor of Letters (DLitt), Doctor of Science (DSc) and Doctor of Divinity (DDiv).

**The Order of Wilfrid Laurier** honours worthy recipients who have a record of exemplary and distinguished service to the university.

**The Distinguished Governor Award** provides a mechanism for recognizing retiring and retired members of the Board of Governors who have given outstanding service to Laurier.

**The University Research Professor Award** recognizes and rewards a continuous record of outstanding scholarship or creativity by a full-time member of the Laurier faculty.

**Faculty Award for Service Excellence and Community Engagement** recognizes individuals who in addition to their teaching and scholarship, provide exceptional service leadership.

## The Academic Degrees

The academic degree is a title conferred on an individual by a university as recognition of the completion of a course of study or for a certain attainment. In Canada, the three stages in higher education are represented by the degrees of bachelor, master, and doctor. Wilfrid Laurier University is given the authority to grant degrees by the Wilfrid Laurier University Act.

The bachelor's degree is awarded at the honours, without honours or general specified, and the general level. An honours degree program emphasizes the acquisition of a broad and deep knowledge of the student's chosen honours subject. The four-year BA without honours or general, is awarded to students who have met all honours course requirements and includes their specialization. A general degree program emphasizes a balance between an in-depth understanding of the student's major subject and a knowledge and appreciation of other fields.

The master's degree is the second degree in higher education. Students complete concentrated and specialized work at a more advanced level in an academic discipline or professional area. Most course work is within the field of specialization and a research project or thesis is normally required. Some master's degrees provide professional qualifications.

The doctoral degree is the highest academic degree granted by a university. Candidates for the degree spend several years in the advanced study of a specialized field of knowledge. The capstone of the degree is the doctoral dissertation, an extended work based upon independent research. The dissertation demonstrates the candidate's command of both the subject matter and the exacting methods of scholarship, and makes an original contribution to knowledge.

### MANDY BUJOLD *Presented on June 13, 9:30 am*

---

A decorated athlete, Mandy Bujold is an eleven-time national boxing champion from Kitchener, Ontario. Having competed at the Olympic Summer Games in Rio (2016) and Tokyo (2020), Bujold battled hard to make her way to the 2020 Games, inspiring mothers and athletes everywhere by successfully advocating for the International Olympic Committee to accommodate women who are pregnant or postpartum during the qualification process.

She is also the founder of a local charity, Champions for Charity, and supporter of small businesses and is active in the Waterloo Region community.

---

### WILTON LITTLECHILD *Presented on June 14, 9:30 am*

---

An accomplished lawyer, respected politician, exceptional athlete and pioneer for the global Indigenous rights movement, Littlechild has worked tirelessly to promote human rights, in particular those of Indigenous peoples. Formerly a commissioner for the Truth and Reconciliation Commission of Canada, he rose to success despite living through 14 years of residential school from the age of 6—choosing to focus on sports such as baseball, hockey and swimming.

Instead of pursuing a career in hockey, he became the first Alberta Treaty First Nation person to receive a law degree from the University of Alberta and went on to become the first Treaty Indian Member of Parliament. He served a five-year term as an MP (1988-'93), representing the riding of Wetaskiwin, Alta., and was also a parliamentary delegate to the UN.

### JANE ARCHIBALD *Presented on June 16, 9:30 am*

---

Celebrated opera star Jane Archibald has performed in the most renowned opera houses and concert halls in the world, including the Metropolitan Opera, Bavarian State Opera, Paris Opera, La Scala Milan and Carnegie Hall. In concert, she is the soprano soloist in performances with the National Arts Centre Orchestra, Orchestre Symphonique de Montréal, Toronto Symphony Orchestra, Teatro Carlo Felice Orchestra and Seattle Symphony.

A Juno Award winner, she appears on numerous recordings, most recently in the acclaimed release of Bernstein's Candide with the London Symphony Orchestra.

## 2023 Honorary Degree Recipients (continued)

**MAGGIE MACDONNELL** *Presented on June 16, 9:30 am*

---

Known as “The Million Dollar Teacher,” MacDonnell was chosen from more than 20,000 nominated teachers from 179 countries as the winner of the \$1-million Global Teacher Prize. She has spent decades teaching with and learning from resilient populations across the globe, across the globe; from Congolese refugees to Inuit in the fly-in village of Salluit in the Canadian Arctic.

MacDonnell tears down the traditional classroom walls and co-creates new ones, rooted in a pedagogy of community and empowerment and one that sees her students as agents of change. Working together, she drew upon their talents and motivations to address their very real challenges. That looked like creating one of the world’s most northern fitness centres to offer a welcoming, healthy and safe space for youth. It also looked like an Inuit girls’ adventure club which provided connection to the land and female role models, as well as bike workshops, a student cafe, suicide prevention workshops and so much more. In the midst of seemingly insurmountable challenges, including a suicide crisis, MacDonnell has inspired students to become agents of change in their own community.
