To Whom It May Concern,

Re: Vulnerable Sector Police Record Check

This is to inform you that this Laurier student is registered for a Community Service-Learning course, **PS282: Community Psychology** during the upcoming Spring semester. As a part of their course, they are required to complete an unpaid placement in a social agency or organization where they will be **working in schools or community programs with children/youth or older adults or people with disabilities**. The placements we have coordinated are located in schools, community-based programs, and retirement and long-term care settings where our Laurier students will be interacting directly with individuals and communities who may be vulnerable. Therefore, this student needs to have a vulnerable sector police record check completed prior to beginning the placement. Placements begin in May 2024 and will end April 2024.
